

Joseph (Joe) R. Halsell is the President/ CEO and co-owner of three Santa Maria based construction companies: Halsell Builders, Inc., a custom home building and remodeling company; Re+New Restoration, Inc., a fire, flood, and emergency services repair company; and Energy Upgrade Central Coast, the energy retrofit division of Halsell Builders, Inc.

Prior to co-founding Halsell Builders, Re+New Restoration, and Energy Upgrade Central Coast, Mr. Halsell was a branch manager with Olympic Restoration, Walnut Creek, California, and a lead carpenter with Nicolson Construction, Lafayette, California.

Mr. Halsell is currently President of the Home Builders Association of the Central Coast (HBACC) and sits on the Boards of the Santa Barbara County Capital Loan Committee, the Economic Alliance of Northern Santa Barbara County (EconAlliance), and the Santa Maria Valley Contractor's Association (SMVCA). He is a leading member of the DURT Committee for the Economic Alliance of Northern Santa Barbara County (EconAlliance) and the Capital Campaign Committee for St. Joseph's High School. Mr. Halsell is involved in numerous local community charities and organizations.

Through his guidance since 2003, Halsell Builders and its affiliates have completed more than \$1,000,000 in extreme makeovers for local families and individuals who have experienced life-changing, catastrophic events, as well as having completed a full restoration of the San Ramon Chapel.

Mr. Halsell received his BS in Economics and Business Administration from Saint Mary's College of California in 1998, graduating with honors.
